

Release Notes “Foundation Level Syllabus 2011”

Overview

On 11 March 2011, the **General Assembly** voted on and approved the Foundation Level Syllabus 2011. The **schedule for implementation** and the **level of accreditation** were approved as well.

The CTFL 2011 Syllabus is a minor release in terms of differences with the previous version, as it is mainly a version that improves some short-comings of the CTFL Syllabus 2010. No learning objectives have been changed. This means **no** re-accreditation of **Training Materials** used by Training Providers is required.

The effective date for the new syllabus is April 1st 2011.

However each National Board can determine a transition period to up to 3 months.
